

Sample Insurance Policy — Test Document

Policy Number: TEST-INS-2026-00421

Insured: Alex Morgan

Policy Type: Comprehensive Motor Insurance

Insurer: Horizon Shield Insurance Co.

1. Policy Period and Important Dates

The policy is effective from **1 October 2026** through **30 September 2027**. The renewal notice will be issued approximately 30 days before expiry. Renewal payment must be received no later than **11:59 PM on 30 September 2027**.

2. Coverage

The policy provides comprehensive coverage for accidental damage to the insured vehicle, theft, fire, and damage caused by specified natural events. Third-party bodily injury and third-party property damage are covered subject to the limits below.

Coverage	Maximum Limit
Own vehicle accidental damage	Actual insured value
Theft	Actual insured value
Third-party property damage	\$100,000 per incident
Third-party bodily injury	\$500,000 per incident

3. Premium

The annual premium is **\$1,248**, including applicable taxes and fees. The premium is payable in full by **1 October 2026**. If an approved monthly payment arrangement is selected, the monthly installment is \$104.

4. Exclusions

The policy does not cover intentional damage, racing or speed contests, unauthorized commercial use, normal wear and tear, mechanical breakdown unrelated to an insured event, or damage occurring while the driver is operating the vehicle without a valid driver's license.

5. Claims

The policyholder should notify the insurer as soon as reasonably possible after an insured event. For theft, the policyholder must also report the incident to the police and provide the police report number.

6. Renewal Information

The insurer may offer renewal subject to its underwriting rules and claims history. A renewal offer is not guaranteed. Premium, coverage limits, deductibles, and terms may change at renewal.

7. Test Extraction Targets

This sample intentionally contains information for an AI assistant to extract: summary, important dates, coverage, premium, exclusions, renewal information, and the end-of-day deadline.
